

PRODUCT DESCRIPTION

RIVERINA 50% PIG CONCENTRATE is suitable to be fed as a concentrate to be mixed with milled grain to produce a range of complete feeds for growing and breeding pigs.

A mix containing RIVERINA 50% PIG CONCENTRATE may be introduced to pigs approximately one-two weeks post weaning.

COMPOSITION

- Blend of quality ingredients including soyabean meal, cottonseed meal, canola meal, pulses, meat and blood meal, added lysine, added methionine, Riverina Vitamins and Minerals.

DIRECTIONS FOR USE

- Environmental conditions including temperature and hygiene are of vital importance to ensure good performance.
- It is recommended that RIVERINA PIGLET CREEP CRUMBLES (MEDICATED) are used before and just after weaning to ensure the piglet receive adequate nutrients.
- DO NOT FEED IN THE CONCENTRATED FORM.
- Ensure good quality grain is used to mix with concentrate.

- NOTE: The above inclusion rate are only indicative. Please consult your Riverina sales representatives or nutritionists to discuss different combinations. Pig performance will vary with the season, shed conditions, disease status, genotype and other environmental conditions.
- It is important to change the feed regularly so it remains fresh and palatable.
- It is very important that pigs have clean, cool, fresh water available at all times.

TECHNICAL RELEVANCE

- Contains digestible ingredients for young animals
- Protein meals providing natural sources of essential amino acids. Plus added lysine, threonine and methionone to balance essential nutrient requirements.
- Contains essential vitamins and minerals.

SPECIAL FEATURES

COMPLETE FEED

- When mixed with grain, supplies essential nutrients to the pig. No need for other supplementary feed to be used.

IN MEAL FORM

- Consistent nutrient intake
- Contains essential vitamins and minerals.

QUALITY PRODUCT

- Manufactured to strict quality control standards.

PRECISE FORMULATION AND MIXING

- Formulated in accordance with current research into piglet nutrition and mixed from a variety of quality raw materials.

WITHHOLDING PERIOD

Meat. Nil.

STORAGE

Cool, dry conditions, away from vermin.

EXPIRY AFTER MANUFACTURE

3 months from the date of manufacture.

PACK SIZE

20kg, woven polypropylene bags.

Or

Bulk loads: Contact your local Riverina Sales Representative for details.

This feed is scientifically designed for the intended species of animal and should not be fed to any other animal. It may contain medication and ingredients that may prove harmful if fed to other species.

Ver. 3.0
